QUALITY, SAFETY, AND TRUST IN EVERY LIFT

When it comes to finding a lift, you can be sure the one you're looking for will be the one you find at Innovate Lifts.

Because at Innovate Lifts, we take the time to understand exactly what you need. Which means we can provide you with the perfect lift to fit your home and your lifestyle—proudly made in Britain and installed by experts you can trust.

After all, we've been working in the lift industry for more than 50 years, meeting the highest standards in quality and safety. So you can be confident the lift you choose will be there for you for many years to come.

It's everything you'd expect and nothing less from the one you can trust.

TAKE QUALITY AND STYLE TO THE NEXT LEVEL - WHATEVER THE SIZE OF YOUR HOME

When it comes to finding a home lift, you can be sure the one you're looking for will be the one you find at Innovate Lifts; Such as the Affinity Home Lift, specially designed to fit even the narrowest of spaces to provide a stylish and functional home-access solution.

This contemporary two-person, two-stop standing home lift will safely and smoothly take you between floors in total comfort and ease, so you can enjoy your home more fully. What's more, you can be sure your lift is made to meet the highest standards in quality and safety, so it will be there for you for many years to come.

FOR A PERSONALISED SERVICE

- Λ A standing or seated lift for up to two people, serving two levels
- Λ Ideal for situations where space is restricted, such as narrow alcoves
- Λ Stylish and discreet
- Λ Smooth and quiet
- Λ Easy to clean safety glass • Integrated perch seat
